Egg Farmers of Alberta Celebrates 50th Anniversary at AGM

March 8, 2018 (Calgary, AB) – At the Annual General Meeting held on February 27, 2018 in Red Deer, Egg Farmers of Alberta (EFA) formally kicked-off a year-long celebration of our 50th anniversary. Originally established in 1968, for the purpose of providing effective promotion, control and regulation of the marketing of eggs in Alberta, EFA continues to be the voice of more than 170 egg farming families across the province.

EFA marked the special occasion by debuting a new retrospective video, featuring a variety of egg industry stakeholders who looked back on the past 50 years, and the positive impact EFA has had on the egg industry in Alberta and across Canada. The video can be found on EFA's website, at www.eggs.ab.ca/about/our-story.

Egg Farmers of Alberta also held elections for two positions on the Board of Directors. Peter Waldner was re-elected, and Bernadette Vandeborn was newly elected to the Board. The EFA Board of Directors elected Beatrice Visser as both the Chair and Egg Farmers of Canada (EFC) Alternate, Susan Schafers as Vice Chair, and Joe Kleinsasser as EFC Director. John Hofer also continues to serve as a Director.
