FARMSAFE Plan

2015

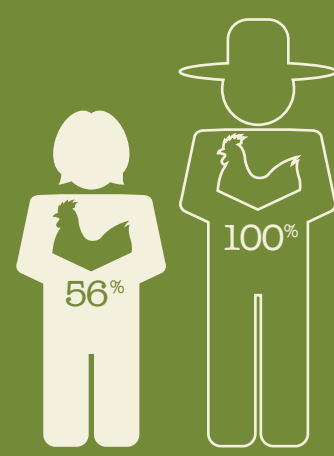

2016 (Target)

2016 (Result)

Due to unforeseen legislative developments, egg farms were not required to complete Farmsafe Plans as expected. EFA continues to work with the AgCoalition in the area of farm safety.

2017

New Entrant Program farmers in production

EFA initiated a review of the New Entrant Program late in 2015, soliciting feedback from a wide spectrum of over 100 stakeholders. The review was intended to evaluate the overall effectiveness of the NEP and its processes, to provide guidance to the EFA Board. The revamped NEP is expected to be launched in the spring of 2017.

## HEALTHY COMMUNITIES

2015  
2 agriculture students were sponsored to attend industry events.

2016  
5 agriculture students were sponsored to attend industry events.

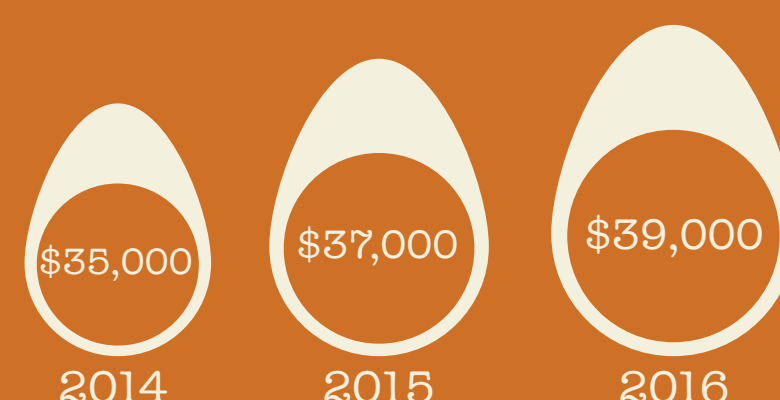

to the Red Cross, which was matched by both EFA and EFC, bringing the total farmer donation to over...
